

Vinyl Council Australia

EXPRESSION OF INTEREST

The Vinyl Council's will be running training course and an opportunity for VCA Members to build on your PVC Profile extrusion processing expertise by attending this intensive course from a renowned US plastics extrusion expert Mr Randy Brown.

Offered in NSW and Victoria, this course is designed for production and extrusion plant managers, experienced operators, engineers, and senior maintenance personnel to enhance existing knowledge and skills in PVC extrusion practice.

Course Instructor

Senior Associate Randy Brown is a customer-focused, profit-driven, plastics engineer with extensive experience in turning ideas into plastic profile extrusion die designs. He is a hardworking, innovative, and dependable leader with an enthusiasm for solving the problems involved in growing a plastic-related business. Extensive experience in rigid PVC formulation for specialty applications along with the processing technology needed for novel extrusion application
